Ministry of Culture in Colombia

To whom it may concern,

we are pleased to confirm that the **Critical Commission** deemed the **Jeice Hernandez's** painting "Juliet" worthy to enter the **3rd Biennial of Genoa - International Contemporary Art Exhibition**.

Her participation was an honor because she represented Colombia in this occasion.

The 3rd **Biennial of Genoa** cultural exhibition, patronized by all the local institutions (Liguria Department, District and Genoa's Municipality, Municipality 1 East-Center, Chamber of Commerce), took place from June 8th to 22nd 2019 and featured 300 artists from 25 different countries in 54 exhibition locations throughout the city center, including **Palazzo Stella, Department of Architecture and Design, Galata Museum of the Sea, Palazzo Nicolosio Lomellino, Museum of Ligustical Academy of Fine Arts, Palazzo Doria Spinola, Palazzo De Ferrari Galliera.**

Yours faithfully,

Mario Napoli

President
